

25 June 1953

MEMORANDUM FOR: Director of Central Intelligence

SUBJECT : Water Supply, [REDACTED]

25X1A6a

1. On 11 June 1953 you approved of a project in the amount of \$26,300 for the installation of a 300,000 gallon water tank, with necessary booster pumps and emergency hose, in connection with the [REDACTED] (Tab A)

25X1A6a

2. Bids have been received, and the low bid is in the amount of \$26,714. In order to accept this bid to provide for a water tank base which will cost approximately \$350 and to provide approximately \$700 for other possible contingencies which may arise, your approval of the expenditure of an additional \$1,500 in connection with this project is requested.
